

DEMOLITION PRE-PERMIT CLEARANCE APPLICATION PROCESS & SUBMISSION REQUIREMENTS

EMAIL CONFIRMATIONS ARE ACCEPTABLE FOR ALL REQUIRED SIGN-OFFS LISTED BELOW

Any person applying for a permit to demolish a building must first complete the following form by obtaining the signature of each agency indicated below demonstrating that they have been notified and approve of the cancellation/disconnection of service(s). All agency signature clearances must be submitted together at the time of building permit submission.

All demolition applications involving properties identified on the Town's Municipal Heritage Registry are subject to Council approval. The registry is available from the Clerk's Department or the Town's website. Please contact the Community Planning Department 905-778-2055 for additional information.

As per OBC Div. C 1.2.2.3, the applicant for a permit respecting the demolition of a building shall retain a professional engineer to undertake the general review of the project during demolition, where,

- (a) the building exceeds 3 storeys in building height or 600m² in building area,
- (b) the building structure includes pre-tensioned or post-tensioned members,
- (c) it is proposed that the demolition will extend below the level of the footings of any adjacent building and occur within the angle or repose of the soil, as drawn from the bottom of such footings, or
- (d) explosives or a laser are to be used during the course of demolition.
