

## Find Your Bus Arrival on Mobile Apps

Starting in Spring 2019, you'll be able to find bus times using the Stop Location and Stop ID (see below) on your smartphone. Several transit apps are available through the App Store and Google Play that will use BWG Transit data. Follow us on social media for updates.

### F Reagens Industrial Park

Make your own bus stop! In the Reagens Industrial Park, there are no pre-defined bus stops; instead, you can simply wave to signal the bus driver to stop anywhere on the route that's safe for the driver to pull over. Be sure to stand on the correct side of the road.

For drop-offs, please let the Operator know where you wish to disembark the vehicle in advance of your arrival to the area and the Operator will pull over at a safe location as close to your destination as possible. Remember to always check for traffic and never cross in front of the bus.
