Hydrant Flushing

The Town's Water Division runs water at every hydrant over the course of the year to ensure a clean and fresh water supply.

Flushing will take place this month in the area between Line 6 to the north and Canal Road to the south, bounded by Inverness Way to the west and Zima Parkway to the east.

Should you experience discoloured water, run your laundry tub tap or bathtub tap for up to 10 minutes until it clears up. If the water does not clear, please call 905-775-5369 ext. 2300 during business hours.

Town of BWG 2019 Annual Water Quality Report

The Town of BWG is pleased to announce that, in accordance with Section 11 of Ontario Drinking Water Systems Regulation 170/03, the 2019 annual report for water quality is now available for review.

The Annual Report covers the period of January 1 to December 31, 2019. The report describes the operation of the water supply system owned and operated by the Town of BWG and the quality of the drinking water.

The report is posted on the Town's website at www.townofbwg.com/water and is also available upon request free of charge at the Community Services Department located at 3541 Line 11 during regular business hours of 8:30 a.m. to 4:30 p.m. weekdays.
