Take notice that the Council of The Corporation of the Town of Bradford West Gwillimbury passed By-law 2020-16 on the 3rd day of March, 2020, to extend Interim Control By-law 2019-61 to June 18, 2021.

The purpose and effect of Interim Control By-law 2019-61 is to prohibit the establishment of Cannabis Micro Cultivation Operations on those lands zoned Agricultural (A), Marsh Agricultural (AM), Rural (RU) and Natural Heritage System Two (NHS2) for a period of one year in order to allow for the appropriate completion of research and consultation related to the use of lands as Cannabis Micro Cultivation Operations. Council by resolution directed that the necessary research and consultation be undertaken with respect to developing land use planning policies and regulations concerning Cannabis Micro Cultivation Operations on all the lands zoned Agricultural (A), Marsh Agricultural (AM), Rural (RU) and Natural Heritage System Two (NHS2) located within the Town of Bradford West Gwillimbury.

The Council of The Corporation of the Town of Bradford West Gwillimbury has authority to amend By-law 2019-61 to extend the period of time during which the by-law will be in effect, provided the total period of time does not exceed two years from the date of the passing of the By-law. By-law 2020-16 extends Interim Control By-law 2019-61 until June 18, 2021 to enable the completion of the policies and regulations to manage and control cannabis uses.

Any person or public body may appeal the amending by-law to the Local Planning Appeal Tribunal (LPAT) by filing with Rebecca Murphy, Clerk, of The Corporation of the Town of Bradford West Gwillimbury, 100 Dissette Street, Units 7 & 8, P.O.
