Message from Mayor Rob Keffer:
COVID-19 update – April 9, 2020

I won't be posting a detailed message today since I hope you will join me for the Virtual Town Hall Meeting tonight from 7:00-8:30 p.m. It will be livestreamed at www.youtube.com/c/TownofBradfordWestGwillimbury

We are already accepting questions to be answered during the session, just email them to clerk@townofbwg.com.

You can also email questions during the session, and we will answer as many as we have time for.

My next update will be on Tuesday. I wish you a happy and healthy Easter, and thank you all for your ongoing efforts to flatten the curve of COVID-19.

Best,
Rob Keffer
