2020 Town-Wide Spring Flushing

WHERE:

Every water hydrant throughout BWG

WHEN:

- March 23 to the beginning of June
- Monday to Friday between 9:00 a.m. and 4:00 p.m.

WHAT:

Hydrant flushing is an annual program of the Town's Water Division. Water will be run at every hydrant to ensure a clean and fresh water supply for our municipal water customers.

HOW YOU MAY BE AFFECTED:

Should you experience discoloured water, please run the tap in your laundry tub or bathtub for up to 10 minutes. If the water does not clear, please call us at 905-775-5369 ext. 2300, Monday to Friday between 8:00 a.m. and 4:00 p.m.

For emergency water-related issues outside of these hours, please contact the South Simcoe Police Station at 905-775-3311 and they will contact the Town's on-call staff.

We plan to undertake the work on an area-by-area basis; however, as the work may affect adjacent areas, we ask all customers to be patient during this time.

Thank you for your continuing assistance and cooperation.
