

### **Help make a change in your community: Participate in BWG's Community Clean-up Day**

Bradford West Gwillimbury, ON (*April 2, 2019*) – BWG's annual spring Community Clean-up Day returns this year on Saturday, April 27, 2019.

The event starts at 9:00 a.m., when volunteers are to meet at the Bradford and District Memorial Community Centre at 125 Simcoe Road. Participants are then bussed to selected areas for clean-up. Event participants are later bussed back to the Community Centre for a thank-you lunch.

"This is a great opportunity for the community to come together and help to make our town beautiful," says Mike O'Hare, Manager of Parks and Property. "Students looking to fulfill their community service hours for high school graduation purposes are welcome to participate and students can have their credit forms signed at the end of the day."

Reflective vests and gloves are provided. Participants should come dressed for the weather and wear comfortable footwear. High school students who wish to use this event as volunteer credit for high school must bring their forms to the event.
