

NOTICE

Sewer Line Repair

WHAT:

A section of road will be dug up in order to complete a repair to the sanitary sewer main line and prevent future issues.

WHERE:

Gibson Circle between Tupling Street and Lewis Avenue.

WHEN:

Starting July 23, 2018 for approximately 8 business days (through August 1), depending on weather.

HOW YOU MAY BE AFFECTED:

There will be no through traffic permitted on Gibson Circle between Tupling Street and Lewis Avenue for the duration of the work. The road will be closed completely from 202 to 222 Gibson Circle, and the rest of the section of road will be open to local traffic only.

Residents in the immediate area of work have been advised directly that they will be unable to access their driveways during the repair period. They will be asked to park on the street outside of the construction zone limits during this period. Residents near the work area may also be asked to stop using sewer services (e.g. running water down sinks, tubs and toilets) for a short period while service laterals are being connected to the main line.

We apologize for any inconvenience and appreciate your cooperation and understanding.
