NOTICE TO OCCUPANTS

**RE: TOWN OF BRADFORD WEST GWILLIMBURY
NOTICE OF CONSTRUCTION – WEST PARK AVENUE WIDENING
TEMPORARY LANE REDUCTION – WEST PARK AVENUE SOUTH OF HOLLAND STREET**

Dear Occupant,

On behalf of Dykie J.V. and Delgrove Construction we would like to advise you that the week of August 13, 2018, we will resume the construction for the widening of West Park Avenue from Holland Street, south. The remaining work will include the shaping and completion of the boulevards, installation of sidewalk, and preparation for the installation of street lighting. We expect this work to take approximately three weeks, dependent on the weather. This will require the rotating reduction of a single lane of West Park Avenue. The existing entrances north of the Beer Store and south of the Tim Hortons between the west plaza and Canadian Tire will be open with exception of two days (one day for each entrance) for the installation of sidewalk through the entrances. **EACH ENTRANCE WILL BE COMPLETELY SHUT DOWN FOR ONE DAY AND THE SHUT DOWN WILL BE ON A MONDAY OR TUESDAY.**

During the closure of the entrances north of the Beer Store and south of the Tim Hortons between the west plaza and Canadian Tire, access from West Park Avenue to the plaza will be from the entrance at the southeast corner of the parking lot (behind the Beer Store). Access to Canadian Tire will be through the entrance at the northeast corner of their parking lot off Holland St. Access to Tim Hortons will still be possible from Holland Street.

Should you have any questions or concerns on this matter please contact Shaun Lawton of A.M. Candaras Associates at (416) 897-9428.

Your co-operation and forbearance in this matter is most appreciated.

Yours truly,

a.m. candaras associates inc.

Shaun Lawton

Site Inspector
