

Splash pads close for the season on September 28

Bradford West Gwillimbury, ON (*September 24, 2018*) – Following a very successful summer of operation, the splash pads located at Bradford Lions Park, Dreamfields Park, Alan Kuzmich Memorial Park and Henderson Memorial Park, as well as the spray pad located at the new Middletown Park, will be closing for the season on September 28, 2018.

The mechanical systems including underground piping will be drained and winterized, ensuring they are ready to re-open in June 2019.

The Town's splash pads played a key role in providing children a place to play and stay cool throughout a very hot summer. These water play areas and adjacent park amenities also provide an opportunity for families to gather to enjoy the outdoors and meet their neighbours.
