

# CONSTRUCTION NOTICE

## Church Water Wells - New Emergency Backup Power Project

May 5, 2021

### WHAT

This notice is a follow-up to our October 13, 2021 pre-construction notice.

The Town will construct a new emergency back-up power system at the Church Water Wells. This work will involve installation of a new electrical generator and other items at the site.

The works will include the following:

- New standby generator
- New electrical connections to the generator
- New fencing around property and building

### WHERE

Project area as per the map below:

**Church Wells Site, 550 Toll Rd. in the Township of King, Ontario**

## WHEN AND WHAT TO EXPECT

Construction will take place between May to August, 2021

- Construction start date – May 6, 2021.
  - The contractor will mobilize to the site.
- Construction duration – approximately three months.
  - Work will be seven days a week, beginning at 7 am during the week and 9 am on weekends.
- Construction end – August 15, 2021

## HOW YOU MAY BE AFFECTED

All work will be on the Church Wells Site and away from neighbours. We expect minimal impact on residents.

## WE WANT YOUR INPUT

If you want more information on the project, please visit the Town's website at [Town of BWG Construction Notices](#)

Alternatively, please email or call the contact below if you have any input or have questions about the project.

Thank you for your patience and cooperation during this project
