

CONSTRUCTION NOTICE

Noble Drive Standpipe - Refurbishment Project

April 1, 2021

This notice is a follow-up to our February 11, 2021 pre-construction notice.

The Town will replace the existing internal lining of the Noble Dr. Standpipe with a new protective coating. This work will involve draining the water in the tank, removing the existing interior paint and applying new paint to the tank's interior surfaces.

The works will include the following:

- Surface preparation of the inside of the tank - to obtain a smooth surface – using an abrasive blast cleaning. There will be dust mitigation measures in place.
- Paint application
- Other safety upgrades

WHERE

Project area is located at **33 Noble Dr, Bradford** as per the map below:

WHEN AND WHAT TO EXPECT

- Construction start date – April 2, 2021.
 - The contractor will mobilize to the site.
- Construction duration – approximately three months.
 - Work will be seven days a week, beginning at 7 am during the week and 9 am on weekends.
 - Most of the work will be inside the tank.
- Construction end – July 1, 2021

WE WANT YOUR INPUT

If you want more information on the project, please visit the Town's website at [Town of BWG Construction Notices](#)

Alternatively, please email or call if you have any input on the project or have any questions.

Thank you for your patience and cooperation during this project
