

NOTICE Noble Drive Standpipe - Refurbishment Project

February 12, 2021

The Town will replace the existing internal lining of the Noble Dr. Standpipe with a new protective coating. This work is part of our maintenance program and will ensure a continued reliable supply of water to residents of Bradford West Gwillimbury.

This project will involve draining the water in the tank, removing the existing interior paint and applying new paint to the tank's interior surfaces.

The works will include the following:

- Surface preparation - to obtain a smooth surface – using an abrasive blast cleaning. There will be dust mitigation measures in place.
- Paint application
- Other safety upgrades

WHERE

Project area is located at **33 Noble Dr, Bradford** as per the map below:

WHEN

- Construction commencement – April 2021
- Construction end – July 2021

WE WANT YOUR INPUT

If you want more information on the project, please visit the Town's website at [Town of BWG Construction Notices](#)

Alternatively, please email or call if you have any input on the project or have any questions.

Thank you for your patience and cooperation during this project
