

NOTICE: John Street and Moore Street Parking Lot Reconstruction

June 23, 2021

WHAT/WHERE :

The Town of Bradford West Gwillimbury will have their Contractor (Loc-Pave) on site to commence reconstruction works at the John and Moore Street Parking lot. The Contractor will be replacing the retaining wall on the east boundary, upgrading the storm drainage system, resurfacing the parking lot and installing new lighting. The location and extent of the work is identified on the attached map.

WHEN:

The Contractor will begin mobilizing onsite the week of June 28, 2021, weather permitting. Construction works are anticipated for completion August 2021.

HOW YOU MAY BE AFFECTED:

Construction activities will be from 7am to 7pm on weekdays and from 9am to 7pm on Saturdays.

All roads will remain open throughout the project. There may be periodic traffic disruptions as equipment and materials arrive and depart. The parking lot will remain partially open during construction and will be signed and cornered accordingly to allow for some parking.

Occasionally, we may restrict access to some areas for short periods. This will be to facilitate the installation of the retaining wall and new storm drainage system. In these instances, we will work directly with you to facilitate access to your property and parking alternatives.

ADDITIONAL INFORMATION:

The Town will act as the Contract Administrator, conduct daily site inspections, and be the main contact during the works. We thank you for your cooperation and apologize for any inconvenience this work may cause. Should you have any further questions or concerns, please do not hesitate to contact the undersigned directly.
