

Parking Lot A – John and Moore Street Design Works

May 9, 2019

Geotechnical / Borehole Investigation

WHAT:

As part of the Parking Lot A (John and Moore Street Parking Lot) project, the Town through its Consultant Tatham Engineering, will be completing borehole investigations.

WHERE:

This work will take place in the parking lot located at the intersection of John Street and Moore Street.

WHEN:

The boreholes are scheduled to take place over the course of 1 week from Friday May 10, 2019 to Friday May 17, 2019 weather dependant.

HOW YOU MAY BE AFFECTED:

There will be no interruption to traffic during the time in which these boreholes are conducted. The Parking lot will undergo slightly reduced parking for a temporary time period to accommodate the machinery that will perform the borehole investigations.

If you have any questions or concerns, please contact the Town representative.
