

## APPLICATION CHECK LIST

Please ensure that the following has been completed:

1. The proposal must be discussed with a Town Planner with respect to Official Plan conformity, Zoning By-law provisions and other planning concerns (mandatory pre-consultation meeting). The applicant/agent must enquire from which Section of the Zoning By-law the proposal requires relief.
2. All questions on the application must be fully completed or marked not applicable. The affidavit must be signed by **all** registered owners or a duly authorized agent. NOTE: If a corporation is the owner, please place the corporation's seal or write, "I have authority to bind the corporation." The affidavit must be properly sworn before a Commissioner of Oaths to confirm the accuracy of the application. The information on the application must be legible and neat.
3. The authorization form signed and dated by the owner, appointing an agent (if applicable) to act on behalf of the owner.
4. The application must be accompanied by a sketch of the subject property. A complete and clear sketch is needed by the Committee to properly evaluate the application. The sketch shall be to scale, legible and in **metric** and a minimum size of 8.5" x 14". Please ensure that the dimensions of the variance(s) sought are clearly indicated on the sketch. The Committee of Adjustment may request that the sketch be prepared by an Ontario Land Surveyor if there are serious problems with the boundaries, orientation, and scale.
5. The application fee in the amount of **\$1,545**, payable to the Town of Bradford West Gwillimbury, is enclosed. This fee is for three (3) variances. Anything beyond three (3) variances is an additional **\$500**.
6. A yellow notice sign is also provided by the Municipality and must be erected by the applicant or authorized agent on the lot line abutting the road. All signs must be erected 10 days prior to the public meeting. The applicant or authorized agent **must provide photographic evidence** to the Secretary-Treasurer that the yellow sign has been posted properly on the subject lands. The signs are to be removed after the 20 day appeal period.
7. If you have other information you wish to provide, which is not on the application, please outline it in a covering letter.

**It is the responsibility of the applicant/owner/agent to call to request copies of reports received from the circulation.**

**IMPORTANT:** The Secretary-Treasurer will review the application and make suggestions as to what further information may be required or if the application is incomplete. Ultimately it is the responsibility of the applicant/agent to ensure that the application and sketch are complete and the sign is posted.

Should the Committee of Adjustment find that the application is not complete with respect to any of the above requirements, the application most likely will be deferred at the applicant's expense until the information is received. A deferral fee of \$285 is required to be placed on the next available agenda.

**Applications may be subject to additional fees should the subject lands be regulated by a Conservation Authority.**

Should you require further information, please do not hesitate to contact me.
