

NOTICE: Construction Commencement

Back Street Road Reconstruction

WHERE:

Back Street will be reconstructed from 90m East of William Street to the East end of Back Street

WHEN:

Works are scheduled to commence March 31, 2017 with all works scheduled to be completed by fall 2017.

WHAT:

During the first couple of weeks, the contractor will be on site installing silt fence, conducting utility locates, and preparing the area for construction. The reconstruction of Back Street includes the installation of watermain, sanitary sewers, storm sewers, sidewalks, curb, asphalt and landscaping.

HOW YOU MAY BE AFFECTED:

Back Street will be closed to through traffic for the duration of reconstruction works for a period between March 30, 2017 and fall 2017. Access for residents will be maintained on either end of the work zones. The Town will ensure that each resident along Back Street and emergency services will be notified of closures and detours as construction progresses.

We apologize for any inconvenience that this may cause. If you have any questions or concerns, please contact Marcio Marques in the Town's Engineering Department.
