

Newton Robinson Bridge Replacement

Remaining Site Works Notice

WHAT:

The Newton Robinson Bridge, located on Line 10 approximately 250 meters west of Highway 27, was replaced last year. The contractor is required to return and rectify any outstanding items and perform any repairs.

The remaining works will include repair of any erosion that occurred over the winter, creek work and restoration, and asphalt repairs.

WHEN:

Starting May 17, 2017, the contractor will be on site to complete outstanding work. The work is expected to be completed by May 26, 2017, weather dependent.

Construction may occur at any time between the hours of 7am-7pm Monday to Friday and 9am-5pm on Saturday.

HOW YOU MAY BE AFFECTED:

Traffic will be reduced to one lane and will be controlled by flag-persons, signs and traffic pylons/barrels.

Traffic may be slower than normal, but at NO time will the road be completely closed, and residents as well as large vehicles such as school buses, garbage trucks and emergency services will be able to pass at all times.

We apologize for any inconvenience caused by this necessary construction.
