

NOTICE:

MARSHVIEW BOULEVARD

EMERGENCY LANE CLOSURE ON HOLLAND STREET/MARSHVIEW

Good afternoon Mayor Keffer and Councillors,

Due to unforeseen circumstances an emergency shutdown of 2 lanes heading eastbound on Holland Street at the new Marshview entrance will continue into this evening and overnight in order to complete the installation of sanitary forcemain pipes. The through traffic will be moved into the dedicated left turn lane as a temporary measure this evening and overnight.

Paid duty officers will be present to assist with traffic control during the evening and night to assist until the emergency work can be completed.

We anticipate the work being completed and the closed easterly lanes reopened by the morning of Friday May 12, 2017. If not completed by the morning, the trench will be covered and plated to allow for 2 lanes of traffic during peak time.
