

Frederick, Joseph, Moore: Paving

August 24, 2017

Top Asphalt Paving Notice

WHAT:

As part of the reconstruction of Frederick Street, Joseph Street and Moore Street, Trisan Construction and Lisbon Paving will be grinding and placing top asphalt.

WHEN:

Works were scheduled for August 18th however, due to poor weather conditions, **paving has been rescheduled for August 25th**, and may extend into the following week.

WHERE:

The work will take place throughout Frederick Street, Moore Street and Joseph Street. The type of work will be in specific areas to minimize disruption as much as possible. At times, there may be lane restrictions within the immediate area of the work zones, however, the road will be open at all times.

HOW YOU MAY BE AFFECTED:

Access along **Frederick Street, Joseph Street and Moore Street** will be restricted to one lane during the paving operation for a period of approximately 2 days and delays are to be expected. There will be traffic control in place to accommodate vehicles and the paving operation. Moore Street in particular will be closed for a short duration during the paving operation.

If needed, you may park your vehicles on adjacent side streets during the paving operation. Please do not park your vehicles on Frederick, Joseph or Moore Street.

We apologize for any inconvenience that this may cause. If you have any questions or concerns, please do not hesitate to contact us.
