

NOTICE: S.E.A.R. MARSHVIEW BOULEVARD

LANE RESTRICTIONS ON HOLLAND ST / DISSETTE ST / MARSHVIEW(SEAR)

Good afternoon Mayor Keffer and Councillors,

As a part of the ongoing construction works for the SEAR, work is required at the southeast and southwest corners of the intersection. The work includes catchbasin adjustments, concrete curb installation and placement of asphalt which will require the contractor to occupy the right-hand eastbound lane in order to safely work in the area. As a result of this, one of the southbound left-hand turn lanes on Dissette Street has to be restricted so that the traffic can safely maneuver the turn onto Bridge Street.

These lane closures will be in affect from 9:00am to 4:30pm from and including today through to Friday. All lanes of traffic will be reinstated at the end of each day.
