

South West Quadrant Pre-Construction Notice

August 7, 2018

PROJECT

Rehabilitation of Valleyview Crescent, Maurino Court, and Maplegrove Avenue.

WHY

The Town's Asset Management Plan developed the need to upgrade certain infrastructure in these areas.

WHERE

Valleyview Crescent:

- New Watermain Installation
- Road Reconstruction
- Curb/Gutter Replacement and Sidewalk Repairs

Maurino Court:

- New Watermain Installation
- Road Resurfacing
- Curb/Gutter Replacement and Sidewalk Repairs

Maplegrove Avenue:

- New Watermain Installation
- Road Resurfacing
- Curb/Gutter Replacement and Sidewalk Repairs

IMPACTS

General traffic:

All roads will remain open for local residents living within the construction zone; however, traffic from surrounding areas using these roadways as a through route will not be permitted to enter.

Notice will be given directly to residents along these roads if the road closure status changes. If a temporary full road closure is required, notice will be provided to the affected residents in advance.

Waste Collection:

Please write your house number on your garbage, recycling and compost bins to ensure that they are picked up and returned to you on a weekly basis during construction.

WHEN

The project is scheduled to begin mid-August and will extend until the end of 2018.
