

# NOTICE: S.E.A.R. – Intersection Energization

## SEAR (Marshview Blvd) and Simcoe Road Signalized Intersection Scheduled Energization for the week of April 24, 2017

### WHERE:

The contractor will return to complete the activation of the new traffic signal lights at Simcoe Road – Luxury Ave – SEAR/Marshview Blvd.

### WHEN:

Works are scheduled to commence the week of April 24, 2017 and the work is anticipated to take 2 days to complete.

### WHAT:

Works will include the contractor working in the intersection to remove the temporary covers over the new signals. There will be a period of time where the signals will be flashing red in all directions while the programming is being performed and the South Simcoe Police will be present to provide traffic control.

### HOW YOU MAY BE AFFECTED:

There will be lane restrictions and traffic delays at the intersection for these works for a period of 2 days between April 24, 2017 and April 28, 2017. At the completion of the work the intersection signals will be fully functional.

We apologize for any inconvenience that this may cause. If you have any questions or concerns, please contact Jeff Sculthorp in the Town's Engineering Department
