

Simcoe Road Urbanization and Line 5 Forcemains

Simcoe Road: Grinding & Top Asphalt Paving Notice

WHAT:

As part of the Simcoe Road Urbanization and Line 5 Forcemain project, North Rock and Lisbon Paving will be grinding at the intersection of Line 6 and Simcoe Road. Top asphalt will be installed along the entire length of Simcoe Road from Line 6 to Canal Road Bridge.

WHERE:

These works will take place on Simcoe Road between Line 6 and Canal Road Bridge.

WHEN:

Works for grinding Line 6 and Simcoe Road intersection is scheduled for June 9, 2017.

Top asphalt installation will occur on June 12 and 13, 2017 weather pending.

HOW YOU MAY BE AFFECTED:

There will be delays at the **Intersection of Line 6 and Simcoe Road** during grinding works. Access along **Simcoe Road** between Canal road and Line 6 will be restricted to one lane during the construction works for a period of 2 days and delays are to be expected. There will be traffic control in place to accommodate vehicles and the paving operation.

We apologize for any inconvenience that this may cause. If you have any questions or concerns, please contact Marcio Marques or Andrew Miller.
