

NOTICE: Construction Project Update

Double Surface Treatment of Line 8 between County Road 27 and Highway 400

WHAT/WHERE:

This notice is intended to provide an update to residents along Line 8 between County Road 27 and Highway 400 that we are currently experiencing a slight delay in commencing the placement of granular material and double surface treatment.

WHEN:

We would like to apologize for any inconvenience and the delay in completing the granular and surface treatment works. We are working diligently with our Contractor to ensure that we can obtain an accurate schedule to complete their work. We are still anticipating that this work will be finished in the month of July 2018 and will provide residents with an update to the actual start date shortly.

FOR MORE INFORMATION CONTACT:

We would ask that if you have any questions or concerns about this notice or the work to be completed, please contact Marcio Marques or Joe Costanza.
