

NOTICE: Construction Project Update

Site Work Deficiencies and Placement of Asphalt

WHAT/WHERE:

This notice is intended to provide an update to residents along Line 8 from Highway 400 east to Sideroad 10 that Trisan will be returning to site to complete deficiency work and placement of asphalt. Such work will include grading of ditches, repair of washouts, work inside of maintenance hole chambers and placement of seed/sod.

WHEN:

Our Contractor will be on site to begin works starting July 25, 2018 weather permitting. This work is estimated to take approximately 6 weeks to complete.

HOW YOU MAY BE AFFECTED:

Line 8 will remain open to through traffic between Highway 400 and Sideroad 10 during site works. A minimum of one lane of traffic will be maintained at all times where workers are present along Line 8. A separate notice on placement of asphalt will be provided at a later date.

We apologize in advance for any inconvenience this may cause.
