

Northeast Quadrant Urban Roads: Grinding and Top Asphalt Paving

June 6, 2018

WHAT:

As part of the reconstruction of the Northeast Quadrant Urban Roads Rehabilitation Project (formerly known as the 2017 Urban Roads project), Aqua Tech Solutions Inc. and Lisbon Paving will be placing the second layer of asphalt on the roadways.

WHEN:

Paving is scheduled to begin on **Friday, June 8, 2018**. If the work is impacted by any unfavourable weather conditions, the paving operation will continue into the following week.

WHERE:

Paving will take place on the following roadways:

- **Kneeshaw Place**
- **Cambridge Crescent**
- **Scanlon Avenue** between Barrie Street and Nelson Street
- **Porter Street** between Nelson Street and Colborne Street
- **Nelson Street** between Britannia Avenue and Scanlon Avenue
- **Britannia Avenue** between Barrie Street and Colborne Street

HOW YOU MAY BE AFFECTED:

Residents living within the construction area will continue to have access to these roadways at all times via one open lane of traffic. If possible, please refrain from parking personal vehicles on the road during working hours (7:00 am - 5:00pm).

Access will be maintained for emergency vehicles, public transit and waste/recycling collection. Vehicles coming from the surrounding area (i.e. side streets within and outside of the construction zone) will not be permitted to use the roads listed above as a through route. We apologize for any inconvenience that this may cause. If you have any questions or concerns, please do not hesitate to contact us.
