

2017 Urban Roads: Asphalt Road Grinding, Road Closures

November 3, 2017

WHAT:

This notice advises residents that a road closure will take place to allow for asphalt road grinding in preparation for paving in the coming weeks.

WHERE:

Asphalt grinding will take place on the following roads and will be conducted in the following order:

- **Kneeshaw Place**
- **Cambridge Crescent**
- **Porter Street** between Nelson Street and Colborne Street
- **Nelson Street** between Britannia Avenue and Scanlon Avenue
- **Britannia Avenue** between Barrie Street and Colborne Street

WHEN:

Roads are scheduled to be closed to through traffic from Monday, November 6 to Friday, November 10, weather permitting.

HOW YOU MAY BE AFFECTED:

Residents living within the construction area will continue to have access to these roadways at all times via one open lane of traffic. If possible, please refrain from parking personal vehicles on the road during working hours (7:00 am - 5:00pm). Residents within the road closure area will be notified daily if access to their driveway will be restricted as a result of the work.

Access will be maintained for emergency vehicles, public transit and waste/recycling collection.

Vehicles coming from the surrounding area (i.e. side streets within and outside of the construction zone) will not be permitted to use the roads listed above as a through route.

We apologize for any inconvenience this may cause.
