## Summerlyn Trail Closure

### WHERE:

Summerlyn Trail between Meadowhawk (south leg) and Downy Emerald (south leg) (see map next page)

### WHEN:

July 10 to 14, 2017

### WHAT:

Summerlyn Trail will be fully closed in order to repair a sewer pipe.

### HOW YOU MAY BE AFFECTED:

Traffic from surrounding areas: Detour signs will indicate the suggested routes. The pedestrian sidewalk will be accessible on the east side and closed on the west side.

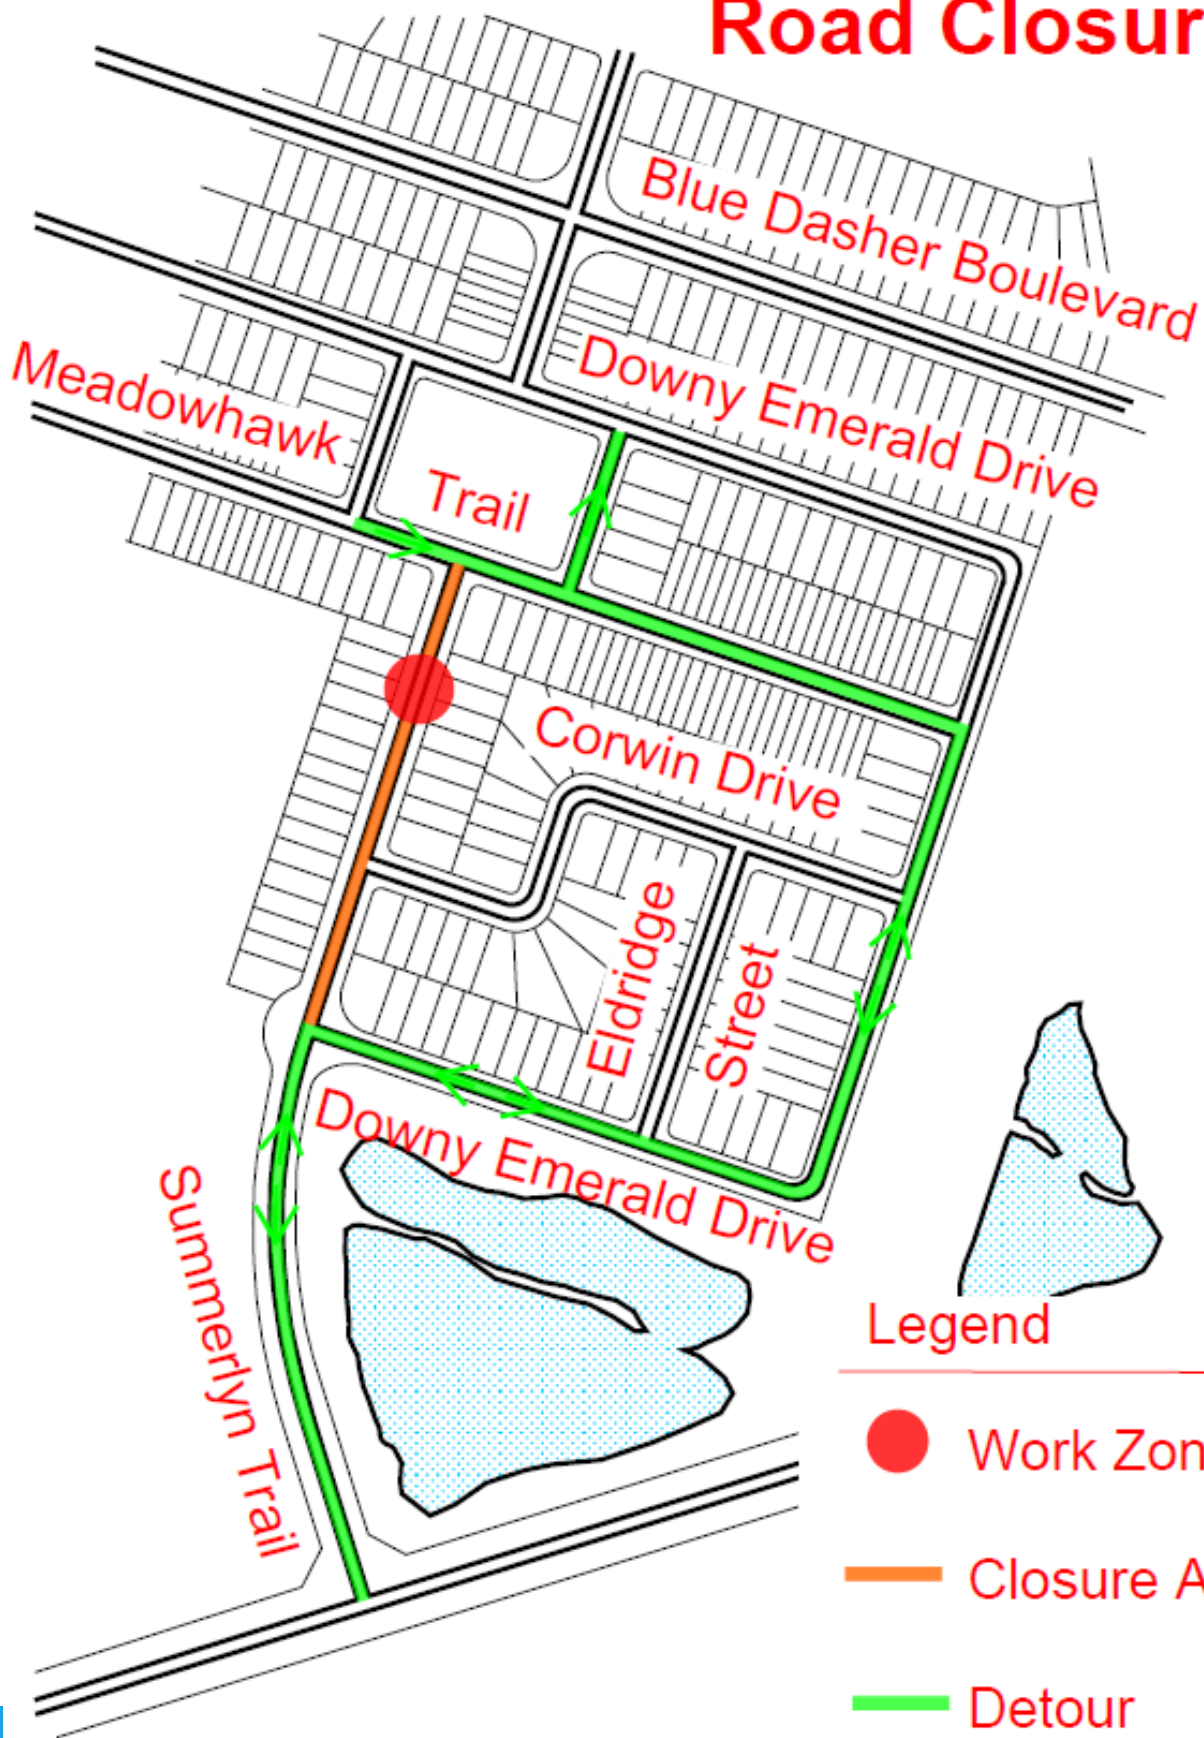

Residents along the construction area: All residents on the construction route have been contacted directly. Two homes will not have access to their driveways during construction. Other residents may find parking more congested during the construction period.

For waste collection, the Contractor will provide safe access through the zone on a full width paved lane.
