

# NOTICE OF ROADWORK

## MAINTENANCE HOLE ADJUSTMENTS – BRIDGE STREET

### WHERE:

Bridge Street – between Dissette Street and Canal Road

### WHEN:

Work is expected to begin September 5, 2017 and to take approximately two to three days to complete.

### WHAT:

Work will include the repair of damaged and broken maintenance hole structures and the replacement of existing maintenance hole lids and associated asphalt repairs to match the road surface.

### HOW YOU MAY BE AFFECTED:

Motorists can expect lane restrictions during the repair work. Some delays to the normal flow of traffic may be expected while work is being done; however, full access to all residential and commercial entrances will be maintained.

We apologize for any inconvenience you may experience during this time.
