Are you a CRITICAL WATER USER?

If you or someone in your household has a medical condition that makes it critical that you have running water at all times, please call the Community Services Department at 905-775-5366 ext. 2300, so that we can add you to our Critical Water User's list.

The Town will use this list to contact critical water users during planned or unexpected water interruptions.

Please remember to place garbage and recycling at the end of your driveway, NOT on the road or on top of snowbanks, to keep bins from being knocked down by snowplows or passing vehicles.
