This document was compiled in January 2016 by Elena (Perruzza) Chisholm, Records Clerk for the Town of Bradford West Gwillimbury. With great care, Elena reviewed the Town's history and archives to create an index of past Councils for the Village of Bradford, the Township of West Gwillimbury, the Town of Bradford, and the Township of Bradford West Gwillimbury.

We extend our sincere thanks and appreciation for the dedication and effort put into preserving this important record of our community's history.
